## Legal and Financial Planning Services

### Caregiver Sheet

Legal Assistance and Financial Planning services relating to the needs of the injured Veterans and their caregiver are now available to Primary Family Caregivers enrolled in the Program of Comprehensive Assistance for Family Caregivers (PCAFC).

Eligible participants have access to paralegals, licensed attorneys and certified financial counselors. These professionals provide consultative financial planning and legal services relating to the needs of injured Veterans and their caregivers.

### Services include areas such as the following:

#### Legal services:

- Simple wills
- Advance directives
- Power of attorney (financial as well as medical)
- Draft and review of guardianship instruments for the Veteran
- Specified civil dispute resolution support
- Education on items such as advance directives, simple wills, estate planning, and guardianship

#### Legal services continued:

- Legal services do not include court representation

#### Financial management services:

- Household budgeting
- Debt and credit management
- Retirement planning/education
- Insurance review/education
- 90-day financial coaching

### How Legal and Financial Planning Services Work
